REQUEST FOR CORRECTION OR REVISED PATENT APPLICATION
PUBLICATION UNDER CFR 1.221(B)

Dear Commissioner:

In response to U.S. Patent Application Publication No. US2005/0042248 A1 dated March 2, 2006 (copy enclosed), Applicants respectfully request issuance of a corrected U.S. Patent Application Publication that reflects the following inventor information:

1. The third inventor, Valery Mikhaylovich Petukhov, was not included under in the "Inventor" section of the published application.

Applicants believe that no fees are required in connection with this filing since the Declaration filed on March 23, 2005 (copy enclosed) included all three inventors. To the extent that fees are required, the Commissioner is authorized to charge those fees, or credit any overpayment, to Account No. 13-0480, Attorney Docket No.55178294.1.

Respectfully submitted,

James H. Ortega
